RESTRICTIONS AND PRECAUTIONS: (continued from Permit Form VS 16-6)

- ***Each shipment shall be accompanied by an ORIGINAL signed document from the producer/manufacturer confirming that the material is of U.S. origin. [This certification must CLEARLY correspond to the shipment by means of an invoice number or shipping marks or lot number or other identification method.]
- This permit DOES NOT allow transport of any agents: 1) exotic to the United States; 2) originating from outside the United States; or 3) Select Agents or nucleic acids as regulated under 9 CFR 121.
- Transported material is for DIAGNOSTIC AND PUBLIC HEALTH PURPOSES ONLY (i.e. serotyping, antigenic characterization, sequencing, and other genetic characterization of the agent).
- This permit DOES NOT authorize direct or indirect exposure of or inoculation into laboratory and domestic animals, including poultry, cattle, sheep, swine, horses, etc. Work shall be limited to IN VITRO uses only.
- Packaging, containers, and all equipment in contact with the imported products shall be sterilized or considered a biohazard and must be disposed of accordingly.
- It is incumbent upon the permittee to uphold proper biosafety procedures and protocols to protect human and animal health as per institutional policy and recommendations published in Biosafety in Microbiological and Biomedical Laboratories, current edition.
- Work with the permitted material shall be performed in accordance with the condition requirements described in this permit. Subsequent distribution to another state is prohibited without prior authorization of APHIS (in the form of an interstate transport permit, written correspondence, or reference to an applicable guideline for no import permit required). Any change in use, treatment, disposal, and distribution within the state may require approval from the state and/or local government.
- This permit does not exempt the permittee from responsibility for compliance with any other applicable federal, state, or local laws and regulations.
- A copy of this permit should be included with the shipping documents.
